

COVID-19 NOTICE

Lampasas Central Appraisal district is currently continuing operations but has suspended face-to-face services to the public inside the building beginning March 24th, 2020 as part of the effort to reduce the spread of the COVID-19 virus in the area. We will tentatively be closed to the public through May 31st. Once we get through the next three to four weeks we will reevaluate our policies and procedures based on the spread of the COVID-19 virus status.

The appraisal district will continue operations, and we are committed to being responsive to our property owners. We believe it is in the best interest of property owners and employees to temporarily suspend direct face to face contact with the public while continuing to provide services through other options, such as by telephone and online.

WE encourage you to mail or email all applications for exemptions and renditions and please use the phone or the internet to access our service.
